OUR OWN FACTORY, START TO FINISH

Varsity Loom is run by **Abdullah Seehan** from Sialkot, Pakistan, who has been in the apparel business since 2016. Sialkot has made sporting goods for the world for more than a century.

Every order is produced in-house in our own factory. Cutting, sublimation printing, embroidery, stitching and finishing all happen under one roof, by our own team, so we control quality, timing and price at every step.

Most US schools buy through a dealer, who buys from a brand, who buys from a factory like ours. Buying direct means factory pricing and one person looking after your order from first message to delivery.

SEE IT FIRST

Free digital mockup, then a physical sample to approve before bulk production.

EVERY PIECE CHECKED

Stitching, print, sizing and name spelling checked on each garment.

ONE POINT OF CONTACT

Talk directly to the person running your order on WhatsApp or email.

TRACKED DELIVERY

Door to door across the USA with UPS, FedEx or DPD.

04
